Artwork prices will be visible on our website starting April 1 and all sales will remain tax-free throughout the month of May. Additional events will take place throughout the month, including panel discussions, lectures, tours and benefit concerts. Visit our website for updated information on these events as they develop.

The *connect + collect* fundraiser aims to promote the value and accessibility of the Kentler Flatfiles, encourage art collecting, bring new audiences to the fields of drawing and printmaking, support living artists, and fund our vital nonprofit programming in Red Hook and beyond. All proceeds will support Kentler's 2018 exhibitions, public events, K.I.D.S. Art Education workshops and the Kentler Flatfiles.

The Kentler Flatfiles, a collection of 2,000+ artworks by more than 260 artists, is available for viewing in our showroom by appointment and on our website via the Flatfiles Digital Archive. Kentler International Drawing Space is located at 353 Van Brunt Street (between Dikeman & Wolcott Streets) in Red Hook, Brooklyn.

Founded by two artists in 1990, Kentler International Drawing Space Inc. is a 501(c)(3) non-profit arts organization presenting contemporary exhibitions of drawings and works on paper by emerging and under-recognized local, national and international artists as part of the cultural fabric of the community. Kentler Programs include: Exhibitions and Events, The Kentler Flatfiles and K.I.D.S. Art Education.
