Kentler International Drawing Space, founded by two artists in 1990, is a 501(c)(3) nonprofit organization dedicated to bringing contemporary drawings and works on paper by emerging and under-recognized national and international artists to the public, and to providing the opportunity to experiment, explore, and expand the definition of art in society.

Kentler International Drawing Space is pleased to be a fiscal sponsor of Art Yard BKLYN, providing contemporary arts education to underserved populations.
