The Kentler International Drawing Space is a non-profit gallery which presents monthly exhibitions and installations by artists, nationally and internationally, who work with paper, in the language of art. The gallery encourages artists to explore and research the definitions of art and the traditional uses of paper and communication. The gallery opened in June of 1990.

DIRECTIONS: F or A TRAIN to Jay St., Borough Hall. Outside take the B-61 BUS to RED HOOK, stops in front of the gallery between Wolcott and Dikeman St. BY CAR: Take the BOE south to Atlantic Ave. exit, left on Columbia St., right on Degraw, left onto Van Brunt, 12 blocks, on the left after school.

The exhibitions are made possible with public funds from the New York State Council on the Arts. In Kings County the decentralization Program is administered by the Brooklyn Arts Council, Inc. (BAC). Other sponsors include: Materials for the Arts, NYC Department of Cultural Affairs/NYC Department of Sanitation; and friends & supporters of the gallery.
